

Governor's Cup Individual Scholarship Award

Criteria

Criteria for selection of the Governor's Cup Individual Scholarship Award shall include, but not be limited to a student's:

- Commitment to the ideals of *FIRST* and *FIRST* values;
- Individual's interest in STEM related areas;
 - Please do not limit this to thinking just engineers, we need Managers, Marketers, and Teachers that are STEM aware as well.
- Needs based will be taken into consideration, such as first generation college goer;
 - Our goal is to give some smart individuals with *FIRST* values that may be being held back by other factors an opportunity to further their education.

Who is Eligible?

Any high school senior that participated in the 2017-2018 Competition season and is participating in the 2018-2019 FIRST Robotics Competition season, and is nominated by their team. Each team may submit up to two nominations.

Deciding Which Students to Nominate

This is a mentor/coach nominated scholarship. The mentors are welcome to take input from sources they feel appropriate such as the team or a student guardian.

Who Submits the Nominations?

An adult mentor of the team.

What Information is Required for the Nomination?

The mentor or coach, who is not related to either of the students chosen for the scholarship, should gather the required information for the student team member submission. Applications will require:

- Nominee Name
- Nominee Grade
- School that the nominee is attending
- Student Address
 - Coaches can use the address of the school or team meeting location
- Nomination short write up
 - Using the criteria above a short write up of why this individual should be considered for this nomination

- Applications are submitted through email to tgcscholarship@firstnh.org
- Applications must be submitted by 7am NH time October 8
